

# Application for Admission

There is no application deadline, but due to the limited number of spaces we anticipate the program will fill up fast. Early applicants will be given priority. Applications are carefully reviewed and participants are selected on the basis of their enthusiasm, motivation, and willingness to live and participate constructively in a supportive community environment. We make our best effort to act on each application within one week of the date when the application is complete.

S.T.E.P. will temporarily reserve a space for an accepted applicant. Once accepted applicants are required to make a \$300 deposit within five business days. The deposit will then be credited to the total tuition fee for accepted participants'. Payment of the \$25.00 Application Deposit may be made by check. All other payments must be made by check or wire transfer. Checks must be made in U.S. dollars and must be drawn on a U.S. bank. Please make checks payable to S.T.E.P. Into the World and write the participant's name clearly on the check. For payment by wire transfer, please contact us for more information.
